

I am interested in game development

## My Sources

**NEW YOUTUBE SOURCE:** Excerpts from the transcript of the video "How to Start Making Games with No Experience" uploaded on the YouTube channel "Goodgis".

**NEW SOURCE:** Excerpts from "Pasted Text" which appears to be content from W3Schools.com, covering various programming topics, graphics tutorials (like SVG and Canvas), and an introduction to making HTML games.

**NEW SOURCE:** Another excerpt from "Pasted Text" containing a URL, also from W3Schools.com, specifically linking to an introduction page about making HTML games.
